Hi all,

The RV is parked directly in front of the public storage, he is the last RV before Arminta st. he says. His license plate is: **4HQL136 and his name is Josh Robinson.** Josh has been waiting at the RV pilot site for several weeks but has not had his tanks pumped as of yet. Can we please address his RV--he moved from Clybourn and Victory to our RV pilot for this reason...

Thank you in advance for your help. I really appreciate it.

Best,

Hi Abraham,

Tiffany just notified me that the individual at this specific RV said no one stopped by to pump his tank.

Can you have someone assist with this?

Tiffany is included in this email as well.

Thank you.

Hi Abraham,

Tiffany had a request for the RV pilot.

An individual specifically requested his tanks be pumped because the week before last, the truck broke down and they did not get to him.

The license number of the individual: 4HQL136

His name is Josh Robinson. He said he might be asleep but feel free to knock.

He definitely wants his septic tank pumped.

Please let me know if this is possible.

If you have any questions please let me or Tiffany know.

Thank you so much.
